## Environmental Data ..... 30

- Kawasaki's Environmental Load Data
- Environmental Load Data by Business Site
- Environmental Data of Subsidiaries

**Period**

The report covers fiscal 2015 (April 1, 2014 to March 31, 2015). However, some activities from outside this period are also included. For overseas subsidiaries, the dates of the fiscal year and the period covered by statistics may differ depending on their country of location.

**Scope**

Kawasaki Heavy Industries, Ltd. (including some subsidiaries).

**Frequency of issue:** The report is intended as an annual publication to be issued once every year.

**Edited and issued by:** General Administration Division Environmental Affairs Department

**Editorial responsibility:** General Manager, General Administration Division

**Guidelines**

In preparing the report, the editorial office referred to the Environmental Reporting Guidelines (2012 Edition) issued by the Ministry of the Environment and the Sustainability Reporting Guidelines (G4 ver.) issued by the Global Reporting Initiative (GRI).

**Disclaimer**

This report not only describes actual past and present conditions at the Kawasaki Group but also includes forward-looking statements based on plans, forecasts, business plans and management policy as of the publication date.

These represent suppositions and judgments based on information available at the time. Due to changes in circumstances, the results and the features of future business operations may differ from the content of such statements.
