

Gas Only Engine + Battery Hybrid Systems for Limestone Carrier

SHIMOKITAMARU

Ship owner : NS United Naiko
Kaiun Kaisha
Cargo : Limestone carrier
Size : 94 × 18.2 [m]
Load Capacity : 5,646 [ton]
Delivery : March 2024

- Highly efficient operation outside port by gas only engine
- Zero Emission in port by battery

Switching between the electric propulsion (Zero emission) and hybrid modes seamlessly and automatically
